

Dear WEBBY Family,

Thank you for enrolling your child(ren) in one of our many exciting programs! Our classes encourage development, improved coordination, and increased self-confidence. All classes begin with warm up and stretching exercises. With over 1000 dances in our curriculum, dancers, gymnasts, and yogis will be regularly introduced to new routines that support our exciting, weekly themes. Classes include guided creative movement skills and dance techniques across the floor and always conclude with a Fun Finish game, dance, or activity! At WEBBY Dance Company, enriching the lives of children through Creative Movement & Dance is our passion!

Children are encouraged to wear traditional dance wear or a WEBBY t-shirt and non-restrictive pants. Ballet shoes are optional.
